

Redhill Revolvers Field Pistol Club

Issue 1: (Q1) Jan 14 – Mar 14

Redhill Revolvers - Keeping You Informed:

Hello and welcome to the first Redhill Revolvers News Letter. This will be distributed on a quarterly basis, and on here you will find brief re-caps into recent events of the club as well as details of any forthcoming events/shoots, plus any other general updates into the on-goings of the club whether it be more information on Saturday LOPC Shoots, or about themed events such as Christmas or simply just feeding back information to club members from anything which has been discussed/agreed in the committee meetings.

LOPC Range Repairs / Improvements: As a club we are always continuing to maintain and striving to find ways to improve the facilities available for our members to enjoy. With this in mind, on Saturday 29th March, a specialised force of highly skilled.. (Ah-hem) emergency response workers was despatched to carry out repairs down at the LOPC. Their primary objective was to repair the wind battered roofing on the rifle range shelter, with a secondary mission of making improvements to the shooting range in the form of new stations being set up ready for additional targets/spinners to be attached at a later date in readiness for the monthly shoots. This team consisted of Steve "Its in the hard drive" Prime, Dave "Just the DIY Jobbo" Jobbling, and Dave "Dig Holes & Dive around Airsoft Style" Bourgault and Paul " The Apprentice" Clarke. After many hours of grafting, with the sun shining, and the concrete setting the work was completed on time, making the mission a 100% success, & there was even spare time at the end for a bit of plinking before having to safely withdraw the troops and navigate our way back to the means streets of Belgrave before the mass of enemy archers started to invade the land of LOPC!

Craig Mawby Memorial Shoot:

On Monday 7th April Redhill Revolvers dedicated a evenings shoot to a former member who is unfortunately no longer with us. Craig sadly and suddenly passed away around a year ago & It was a very fitting night as 7th April would actually have been Craig's 24th birthday. He was a kind natured, warm hearted wonderful person to be around, and as such was a great addition to the club. He really enjoyed his time shooting with us at Redhill which is why we were honoured to host this memorial shoot in his memory at the Queen Victoria in Syston, at a cost of £5 per person, along a raffle taking place and all the proceeds going to Craig's charity "Wish Upon A Star" . On the night there was a number of pistol rounds each with a different stipulation such as single hand, using the rest & free style, with small prizes awarded to the winners by our guest of honour Lynne Mawby, who along with Craig's sister Jennifer both participated. In the end after a good night, £200 was raised for a really worthwhile cause.

Results : 1st Andy Brown, after a shootout 2nd place went to Mitchell Beattie & 3rd went place to Paul Clarke

Win with Redhill: For those of you who don't already know, We have started running a raffle for a chance to win a SMK BD5 Air Rifle, which has been very kindly donated by Phil Savidge of Leicestershire Airguns, situated in Melton Mowbray (www.leicestershire-airguns.co.uk). Raffle Tickets are on sale now at £1 per strip and can be purchased from Rachel Haynes on Monday Nights at the Queen Vic in Syston, or on the Monthly Saturday shoot @ the LOPC. There are still a number of weeks remaining until the draw takes place, so why not better your odds and have a few strips, but **remember to keep your raffle tickets safe as without them, the prize cannot be claimed.**

The Raffle will take place on Monday 19th May 2014. Good Luck everyone !

Winter League Results: So it's that time of year again where the season comes to a close and you eagerly await the final league standings to see how you all done, well wait no more. Well done to all & congratulations to all the winners.

Easter Shoot 2014: Saturday 12th April @ LOPC.

This years themed shoot was setup for 30 HFT targets, and 2 special competition shoots with prizes (Easter eggs) available for successful shooters. One was a iron sight golden egg shoot with 1 shot per person using a classic Diana pistol (but having 2 practice shots at the golden rabbit to finish off your HFT scores). This was won by Richard Austin (only person to hit the egg) followed by the Harris The squirrel shoot co2 shoot, which was won by John Masterson & Geoff Blenkinsop. Well done to the winners of the competitions

HAPPY EASTER

Summer Xmas Shoot: Saturday On June 14th @ LOPC.

As a thank you to all our members for your continued support and help in making the club grow stronger over the past year, we are delighted to announce that this summer, we are giving you something back. This year, enjoy a xmas themed shoot, food and drinks all totally FREE !!! So watch this space for further details nearer the time ! ☺
