

Redhill Revolvers Field Pistol Club

Issue 9: (Q1) Jan 2016 – Mar 2016

2015 Winter League Results : So the winter leagues for all disciplines has now come to a close, This season there have been many accomplishments whether they be individual personal bests, members achieving new club records for speed shooting and not to mention getting the “Full House” on Bell Target. A massive well done to all who achieved the any of the above. The scores really are getting closer and closer with each passing league , and with the past few leagues only being won outright by a point or 2, it goes to show that everyone has really stepped up their game , so the changes of getting a 1st, 2nd or 3rd place in any league is truly wide open and there for the taking. **Results below:**

Elite 3:

1st: Mitchell Beattie, 2nd: Andy Chesterton, 3rd: Gary Lund

Rifle Bell Target:

Adult: 1st: Paul Clarke, 2nd: Dave BG, 3rd: Pat Maloney

Juniors: - no juniors shot enough rounds to qualify

Pistol Bell Target:

Adult: 1st: Doug Bunney, 2nd: Anthony Wood, 3rd: Graham Ruddock

Juniors: - only junior to qualify – 1st Alec Bishop

Classic Pistol League:

Adult: 1st: Steve Prime, 2nd: Pat Maloney, 3rd: Bernard Harris

Speed Shooting:

Adult: 1st: Paul Clarke, 2nd: Andy C, 3rd: Steve Prime

Aided: 1st: Bernard Harris, 2nd Rachel Haynes, 3rd Pat M

Juniors: Alec Bishop (only junior to qualify)

Most Improved: (number of places over all 3 disciplines)

Winner is : Steve Prime

Redhill Revolvers New Website:

Our new website is now up and running, thanks to all involved in getting this sorted (Graham, Paul, Steve). It has been completely redesigned and now looks modern and very easy to navigate around. We also now have full control of it, so we are able to update/amend as much as we like, because of this we are now able to (and have started) to add results from all shoots onto the results page, where each discipline has its own link to its own set of results from Bell Target, to HFT, to one off competitions. Why not check it out, all feedback welcome good or bad. www.redhillrevolvers.co.uk

2016 Summer League: There will be **NO** league for Speed Shooting over the summer period, instead we will be hosting some 1 off fun competitions in its place . Each night will be something different such and will see the likes of the electronic rotating targets, duelling trees etc. There will be small prizes awarded on each night for the winners.
The leagues WILL still be ran for Rifle & Pistol Bell Target.

LOPC Range Extension: In Late February a team of volunteers went down to the LOPC to extend the shelter from approx. 6m wide up to 10 meters. Pictures have been posted on our Facebook page. This extension allows for a lot more room inside the shelter so it can now accommodate more people whether it be to keep dry in the wet weather on the LOPC monthly shoots, or to allow for more shooters/space for those who regularly go down and use the range to plink at weekends/evenings.
Remember - as always when using the range/shelter please remember to put up the red flag and clean up after yourselves and empty the bin when necessary . Thanks

Changes In Committee: It is with deep regret the Aidan has decided to resign as Chairman of Redhill Revolvers FPC for personal reasons. I'm sure you will all join us in wishing him well and of course to thank him for his support and commitment to the club.

In light of this, Rachel Haynes has been offered and has now accepted to take on the role /responsibilities and has therefore now been elected the as the new Chairperson. Rachel will be a hard working, dedicated, valued member of the committee just as she was in her previous role.

Dave BG has also been offered the vacant spot on the committee left by Rachel in her past role and I'm glad to say Dave has also accepted this role and we shall look forward to working with him in the coming months and get fresh ideas to keep Redhill Revolvers FPC going strong for all
