

Redhill Revolvers Field Pistol Club

Issue No 17 - (Q1) January 2018 – March 2018

Rifle HFT Competition: New for 2018 is the Rifle HFT League. This league will be strictly for recoiling rifles with open/iron sights only. There will be 2 shots at 5 targets, making a total possible score of 20. It will be ran alongside the Pistol HFT, and will replace the multi-shot co2 League which we ran last year.

Upcoming Event: On Monday 9th April we will be holding our annual Craig Mawby Memorial Shoot. This will be a Pistol shoot, further details to follow, but we look forward to seeing you on the night for a fun packed shoot.

2017 / 2018 Winter League Results:

Another league has drawn to a close and its been a bit of mixed bag really, some disciplines were really close, whilst others shown clear leaders. Are we starting to see people pulling away from the pack, or do the rest simply need more practice ? Time will tell
