Interclub Bell Target Matches :

As mentioned recently on Monday nights, we are looking to hold interclub bell target matches with local clubs. After initial planning, I am pleased to say that the first match will be against Bagworth and has just been arranged to take place at the Queen Vic on Sunday 28th April from 6pm. There has been a separate email sent out to those involved, The return leg at Bagworth is likely to take place around mid-end May but it will be confirmed nearer the time.
