The draw took place on Monday 19th May on the Presentation Night for the 2013 Winter League, at the Queen Victoria Pub in Syston. Calling Volunteers: We are looking for volunteers as below. If you are interested then please come and speak to one of Committee members over the coming few weeks.

1. Committee Member: After 3 years of his role as Match Secretary, Andy Chesterton has reluctantly decided to step down as he no longer has the time available that he would like to be able to dedicate to the role/committee. We would like to say a big thank you to Andy for his help, support and dedication over the years, but its not goodbye, as Andy will still be shooting at Redhill. We are therefore looking for members who are willing to use their own time to help out in the running of the club (and weekly shoots where possible)

2 .LOPC Ground Works / Maintenance: Its that time again where we need to do general maintenance and improvements to the range at the LOPC, so please come down and lend a hand – times/date details to follow.

3. NSRA Course Volunteers: If anyone would like to do a Certified NSRA course to become a qualified Range Officer / Marshall then please come and see us as we are looking for people for the next round of courses – dates tbc
