

Redhill Revolvers Field Pistol Club

Issue 3: (Q3) July 14 – Sept 14

Umarex Boys Club – Terminator Themed Shoot :

A few of us from Redhill Revolves went in convoy over to Coventry to participate in the 12th UBC shoot on Sat 2nd August to represent". They included Dave Jobling, Steve Prime, John Masterson, Doug Bunney, Andy Brown, Rachel Haynes and Paul Clarke.

The competition was mainly Pistol Targets, but there was also areas for Speed & Rifle shooting such as a Walther LGV Rifle Terminator Paper Target competition and a BSA Sniper Section. We didn't come home empty handed either, well done to Doug Bunney who got 3rd place in the Red Team and Steve Prime who took 2nd place in Yellow Team.

Calling Volunteers: As previously mentioned a while back now on the Monday Night Shoots, both Dave Jobling and Andy Chesterton have decided to step down from their positions as Chairman and Match Secretary. We would like to say a big thank you to Andy and Dave for their help, support and dedication however its not goodbye, as both will still be shooting at Redhill.

As a result of this , I (Paul Clarke) will become the new Match Secretary effective immediately. This does now mean that there are now places available on the committee to fill., so we are looking for members who are willing to use some of their own time to help out in the running of the club as well as helping out on the weekly Monday Night & Saturday shoots where possible.

If you would like to put your name forward and be considered for a spot then please come and speak to one of the committee members.

2014 Christmas Shoot: This years shoot will take place on Friday 5th December at the Queen Victoria in Syston.

There will be a 3 meat Calvary for £10 per person. We will also be running a raffle for various prizes and of course be putting on a fun shoot using the club guns, so no need to bring your own. Details of the shoot are to be confirmed so watch this space...

Tickets for the raffle are available now and can be purchased on a Monday Night or Saturday at the LOPC from Rachel Haynes, so dig in deep as Rachel has spared no expense this year which makes for some really good and worthwhile prizes for young and not so young alike.

We are also looking to get an idea of numbers of attendees for the xmas shoot/meal so we can start to organize the food etc so please let one of the committee know ASAP if you are planning to attend, alternatively you can reply to the email which this Newsletter was sent on. Don't forget your £10 as we need to get everything arranged and its only around 6 weeks away

NSRA Course: Congratulations to Graham Ruddock who completed his NSRA Rifle Instructor Course this past weekend. This now means we have over a handful of people who are qualified to be able to run the shooting range on the weekly/monthly shoots and helps us grow as a club

Riley Cup: Saturday 11th October saw the annual event known as the Riley Cup, This took place down at the LOPC on our usual monthly HFT shoot. This year you had 5 shots and 5 HFT Targets with a Daisy Powerline and 5 shots at a paper target with the Smooth Bore Record Pistol which was really tricky to shoot accurately. In the end 1st place went to Anthony Wood, Dihraj Palmer took 2nd and after a shoot-off Paul Clarke took 3rd place. A Big well done to all.

Speaking of the LOPC, Thanks to Phil Jones for the work he has put in on making a new Red Flag for the club to use when shooting at the LOPC.

FOR SALE!

For Sale Section: 1. Benjamin Nitro Pistol £60, please contact Steve Prime on stevej.prime@virgin.net

Bell Target Match VS Melbourne: On Thursday 19th Sept, we had our 1st leg of the Annual Inter-Club Competition against Melbourne Marksmen. This was an away fixture for us and after a decent night of shooting with some food and the usual banter, it proved to be a very close competition in the end with Melbourne winning with a score of 496 vs 486. We will be arranging the 2nd leg at home shortly so watch this space and why not come along and show your support to the team.

Thanks again to all who participated and made the trip to Melbourne 😊
