**HFT League Update:** Please note, the HFT league for LOPC shoots will end in November, this way we have time to get the medals done and we can award to the winners at the last HFT shoot of the year in December. Remember you need to shoot 6 rounds to qualify, so you only have 2 chances left

## **Inter-Club Bell Target Match:**

This years 1<sup>st</sup> leg at Melbourne Marksmen is likely to take place around November time, I will be contacting them again in the coming months to finalise all the details, once I have a better idea of possible dates I will be looking to hand select our "A-Team " so I will be approaching some of you nearer then time to see if you are interested and available. Watch this space.

## **Moley Christmas**

Well done to the above 3, The medals to be awarded at a later date (not likely the xmas shoot)

**Bell Target Match Vs Bagworth:** At Redhill we are always keen to shoot against other local clubs , so as well as the planned annual matches vs Melbourne, we are also trying to arrange a match against Bagworth. However due to other commitments this is not likely to happen until early next year, but there may be an opportunity to shoot the away leg when the Queen Vic closes, so I will look to gather the team a little nearer the time, so if you are interested then come and see me on a Monday night or at the LOPC on the Saturday HFT shoots and I will add your name to the list
