Issue 4: (Q4) Oct 14 – Dec 14

**2014 Christmas Shoot:** Friday 5<sup>th</sup> December was this years xmas shoot and for £10 per person the Queen Vic put on a 3 Meat Calvary which went down extremely well. It was a great spread with complimentary alcohol for each table and really tasty food.

After the meal the shooting started and this saw the introduction of our new rotating targets. The aim was to do a 3 shot burst using the clubs crosman pistols within the time limit before the target turned away, and repeat this 3 times. We also had some new dartboard style paper targets to shoot at, which made sure everyone got a different score so there would be a clear winner. When all was said and done, Dave Bourgault was the champion by a clear 70 points, taking home the Colt BB Pistol which was kindly donated as the top prize by Phil Savidge of Leicestershire Airguns ([www.leicestershire-airguns.co.uk](http://www.leicestershire-airguns.co.uk)).

The night ended with the long awaited raffle which Rachel has worked hard on with both organizing, sorting prizes and of course as you all know selling tickets for, for so long now. Prizes included an Airsoft Rifle with BBs and Target, HFT Target, Rifle Case, Airsoft Pistols , T-Shirts, Pistol Pouch and some smaller items such as Mugs, Sweets , Pellets etc so Thanks to Rachel for all the effort. (and for all those who have plenty of unwanted xmas cash, I'm sure there will be more raffles in the new year so keep some saved away and watch this space) ☺

**Annual LOPC Pairs Competition:** Saturday 8<sup>th</sup> November was this years annual Pairs Competition & as usual held at the LOPC. It was a cold and wet day but that didn't seem to dampen the spirits of anyone , as this year was the 1<sup>st</sup> year ever which didn't see any minus figures in the final standings. There was 15 HFT targets setup with 1 shot at each per person, scoring 1 point for a hit, 2 for a kill and zero for a miss, then once the scores were in for this, the pairs then had 3 rounds of speed shooting each. The average of these scores was then deducted for the HFT score.

Results for the top 3 below.

- 1<sup>st</sup> Place – Pat Maloney & Howard Warner
- 2<sup>nd</sup> Place – Nathan Chedgy and Doug Bunney
- 3<sup>rd</sup> Place – Sarah Prime & Bernard Harris
