**2018 Membership:** This year we see the introduction of a new membership card. These new cards will last you for the next 7 years as we now have a stamping system in place where Graham will stamp your book each year you pay the membership fee. All membership fees must be paid by **Monday 29th Jan** or your scores so far for the Winter league will be null and void.

## 2017 HFT League Results:

So another year has past and with it, comes the end of the HFT League. And for a change this one turned out to be quite clear cut in terms of positions and not as close as previous leagues have been which begs the question... Are some individuals pulling away from the pack, or do others need to "step up" and keep consistent scoring? You decide.

**Xmas Meal/Shoot:** This years Xmas was held on Friday 22<sup>nd</sup> December at the Queen Victoria, Syson. There was a Christmas Quiz featuring anagrams of all things christmas plus a celebrity santa photo quiz with the combined score taking prize (won by John Masterson, Iain Graham & Rosa Simonson).

Next followed the main course and inbetween that and dessert we hosted the HFT Presentations, Xmas Best Dressed (Anthony Wood) and xmas raffle with lots of different people winning something from 1<sup>st</sup> prize which was a co2 BB revolver pistol nicely finished in chrome – kindly donated by Phil Savidge of Leicester Airguns to rocker targets / spinning targets, hip flask, survival knife/multi tools sets, gun case, mince pies etc

And finally the xmas shoot – This year the aim was to shoot strings of paper from the fireplace and if breaks, you won the mystery prize attached to the bottom. Thanks to Pete Chesterton for his hard work on creating the fireplace

December HFT Shoot – This years shoot was held in memory of Mr Elliot, a close friend of Nash. The format was the usual 10 rocker targets for pistols and then 5 further HFT targets for the scoped rifles. Results. The memorial shoot will take place each year for the Dec HFT Shoot.

Well done to the winners.
